

BETHELL HOSPICE

Drawing on Our Grief – Adult Support Group

Often words are not adequate to describe grief and loss. Therapeutic art provides the opportunity to explore thoughts and emotions that are difficult to put into words.

This five-week support group helps participants to process grief and loss. Through discussion, sharing experiences, education and the use of art materials, you will learn how to integrate loss into your new normal. Artistic talent not required. Register early. Upon registration, program materials will be delivered to you.
