A Message from Bethell Hospice Foundation

BethellHospice
FOUNDATION

On behalf of everyone who has experienced the comfort and care provided by Bethell Hospice, and for those who will, we thank you.

Grateful. Thankful. Supported.

These three words are just a few in a long list that encapsulate the gratitude Bethell Hospice Foundation has for our generous community.

2022 was a year of hope for everyone. With trepidation, but positivity, we all worked to overcome the fears and challenges we experienced from a truly unparalleled time in our history.

Bethell Hospice Foundation was overwhelmed with the support we received from both our past supporters and new donors who were happy to embrace our cause in a myriad of ways. For many, you were comfortable and excited to return to our in-person events, and even hosted many of your own. For others, your loyal dedication to hospice palliative care in your community had you supporting us virtually or through alternate opportunities.

In addition to your ever-important dollars, we also can't say enough about the volunteers who came forward with their generous gift of time and talent to help ensure the success of each and every initiative. The Foundation, in addition to our colleagues at the hospice, appreciate and recognize that we could not possibly accomplish what we do without the loyal and hardworking volunteers who have chosen to give of their time.

Regardless of how you stepped up, each and every one of you chose to recognize Bethell Hospice Foundation as an important charity of choice. Your decision allowed us to ensure the outstanding and compassionate care Bethell Hospice has come to be known for continued for all who needed it.

The Foundation is inspired by you, and we cherish the confidence you instill in us. Your belief in the work we do motivates us to keep moving forward to reach our future fundraising goals.

A Message from Bethell Hospice

Much of our work this past year was focused on rebuilding and growth.

While we were forced to revise and limit during the pandemic, this year we were able to rebuild and refresh many of our programs and initiatives.

And once again, it was our people that made all the difference. With that, the focus of this report is on our people and our collective team. To demonstrate this, we selected a few of our Care Champions from our amazing team to share who they are, and why they chose to give of their time, talents, and passion to hospice palliative care at Bethell Hospice. Our teamwork also merits recognition told through the story of Angel Scott and how lives were touched through Bethell Hospice.

To support our rebuild and refresh, the Bethell Hospice Board held a Strategic Planning 'retreat' at the end of the fiscal year to update and align our existing Vision, Mission and Values with current priorities. Strategic direction to achieve these priorities were also developed. Our refreshed Vision is to be "*A Leader in palliative care excellence"* and our Mission is "*To provide compassionate, specialized care for quality living, dying and bereavement".*

The refreshed Vision and Mission reflects our journey, from yesterday's setting the groundwork to today's innovation and growth. We are eager to lead our palliative and hospice care community in this regard. We are looking forward to demonstrating how our renewed directions will impact and resonate with all our stakeholders – that being, our residents and clients, their families and loved ones, staff, volunteers, donors, and community.

BethellHospice

Thank you for being with us on this journey and thank you for continuing with us on the path ahead!

Bethell Hospice Care Champions!

CHARLENE (CHUCK) LEBLANC

KAREN STEEN

MARGARET ODUTAYO

GERRY CRAKE

LARRY FLINT

This year, we would like to celebrate our amazing Bethell Hospice team and highlight a few of our many Care Champions!

It is because of our tremendous individuals who give of themselves, their time, and their passion that we can offer excellent care and an experience that is totally unique to Bethell Hospice.

Charlene (Chuck) LeBlanc – PSW/Intake Coordinator

Nominee for the HPCO Frances Montgomery Personal Support Worker Hospice Palliative Care Award.

Chuck's approach to hospice palliative care and dying is one that encompasses the whole person. Within minutes of Chuck entering a room, you will see the family focus on her as she gently comforts them. Chuck treats every family and patient as an individual story, ensuring their dignity is maintained with love and honour.

Karen Steen – Volunteer

2023 Recipient of the Hospice Palliative Care, June Callwood Award

Karen is known for her willingness to jump in and assist at the hospice in any way she can. Karen has served in many volunteer roles over the past six years, and her attention to detail and strong work ethic are recognized and appreciated across the hospice.

Margaret Odutayo – Registered Practical Nurse

Margaret has been with Bethell Hospice since the very beginning, when we opened our doors in 2010. A kind, caring, and experienced clinical team member, Margaret can often be found sitting with our residents or their family members, getting to know them individually.

Gerry Crake – Maintenance Coordinator

Gerry is a Care Champion who has been with Bethell Hospice for the past nine years. Working tirelessly behind the scenes in partnership with a special team of volunteers and our housekeeping team, Gerry's responsiveness and organization keeps Bethell Hospice safely maintained.

Larry Flint – Volunteer

2023 Recipient of the Town of Caledon Community Champion Award

Larry has been volunteering at Bethell Hospice for 13 years, working in the role of Resident Support and as a volunteer receptionist. His warm and welcoming nature, along with a great sense of humour, go a long way in welcoming visitors and guests to Bethell Hospice.

Bethell Hospice Team Day

After 2 years of pausing our annual Team Day due to COVID, we were thrilled to finally be able to host this event in person.

We know that a strong and connected team means a better work and care environment. In March of 2023, over 60 staff and volunteers came together to share, learn, and be inspired by topics such as Cultural Humility, as well as participate in an exciting group drumming activity. It was a day of fun and camaraderie!

"Bethell Hospice staff and volunteers made such a difference for my family in supporting us during an extremely difficult time in our lives. We are all so appreciative for the absolutely outstanding care and kind understanding given to Oma and all of us. Words can't describe how grateful we are. Now a staff member myself, I am hoping to make a difference in some small way back to Bethell Hospice."

MICHELE KEELER, RPN
QUALITY ASSURANCE/EXECUTIVE ADMINISTRATOR

Angel Scott – Circle of Love

A Montessori School teacher, a liver transplant donor, a member of 'Team Transplant' Dragon Boat race team, a motorcycle instructor, and a Lifeguard Instructor in-training, Angel Scott does not sit back and wait for life to happen. She takes full control.

Angel met her first husband Sean when they were both 13 years old and living in Brampton. They married at age 18 and had children, sadly losing a twin daughter in utero. Enduring many setbacks including Sean's addiction issues, the couple eventually divorced, and Angel went on to re-marry.

Twenty-two years later, Sean needed support after suffering from a brain aneurysm. Coincidentally, this was the exact time that Angel's husband Darryl experienced liver failure. A challenging time, Angel lived up to her name by providing a liver transplant for her husband while continuing her studies to be a teacher.

In 2022, Sean was diagnosed with small-cell lung cancer and Angel stepped forward again to assist. After undergoing radiation and chemotherapy, Sean was ultimately moved to Bethell Hospice on March 21, 2023.

Angel describes Sean's experience at Bethell Hospice,

> *"The hospice gave Sean peace. He was a super stoic person and very grateful for the support he received. The staff at Bethell Hospice are gentle, kind, and respectful and provided Sean with the best possible end to his life."*

Eager to provide Sean's family with the opportunity to say goodbye, Angel drove Sean's father Barry from a nursing home in Stayner, Ontario to Bethell Hospice. While at the hospice, Barry's portable oxygen tank needed re-charging and the Care Team quickly stepped in to help. Angel explains,

> *"Although this was a challenge, the Bethell Hospice nursing staff were incredible and the PSW team went above and beyond in assisting us and making everyone comfortable. The staff provided much needed assistance and care."*

After Sean passed on March 29, Angel connected with the Psychosocial Spiritual Care Team at Bethell Hospice and signed up for Group Grief Counselling. Angel was effusive in her praise,

> *"Steven Janzen gave me the opportunity to manage and learn how to cope with my grief. This experience can be scary at first but very empowering."*

Steven, Spiritual Care & Grief Counsellor

In addition to her personal growth and learning, Angel has been teaching her Kindergarten class about the concept of empathy. In June, each student decorated a remembrance butterfly that represents hope and transformation, as part of a community Butterfly Bereavement Project.

> *"I am eternally grateful to Bethell Hospice and am at peace with letting Sean go. The staff and volunteers at Bethell Hospice are beautiful."*

Offering the gift of peace and comfort, Bethell Hospice helped Angel cope with her grief to acknowledge a positive experience could still be had, even when control was not within her grasp.

Hike for Bethell Hospice & Golf 4 Bethell Hospice

Hike for BethellHospice

Organized as an outdoor event, our Signature Hike for Bethell Hospice was held in-person at the Lloyd Wilson Centennial Arena on Sunday, May 1.

Although the pandemic was still clearly in our midst, the return to hosting an in-person outdoor event was celebrated by many, with over 400 individuals, teams, and four-legged friends in attendance.

We are very grateful to every participant for their belief in the importance of hospice care in our community and with incredible support from hikers, sponsors and donors, the 12th Annual Hike for Bethell Hospice exceeded expectations and raised over $230,000!

The Hike for Bethell Hospice was generously supported by our dedicated sponsors:

Light & Love at Bethell Hospice

The Bethell Hospice Light & Love Tree Lighting Ceremony is held each year to honour and remember those who have passed.

For each donation, a light is illuminated on the Bethell Hospice trees situated in front of the hospice. This past year, during the evening of December 8, we were privileged to listen as long-time volunteer Stan Cameron read over 400 names aloud, bringing a little bit of light and hope to many during a challenging time.

Attendees at the Light & Love ceremony consist of family members of past residents, along with Bethell Hospice community clients who understand how essential it is to deal with their pain and sorrow as they honour the memory of a loved one.

In the words of a grieving daughter,

"Bethell Hospice gave me a safe space that I needed to go through my grief journey. They also supported me through my good days and my not so good days; I cannot thank them enough."

Hope Yoshiki

Gratitude for the Light & Love Ceremony was expressed by those in attendance and through many generous donations, raising over $234,000 to directly support Bethell Hospice residence care and community programs.

Many thanks to our 2022 Tree Lighting sponsors:
