## **Bethell Hospice Foundation**

Bethell Hospice Foundation exists to raise funds to ensure the ongoing operation of Bethell Hospice in our community. Unlike many other local charities, Bethell Hospice depends on the generosity of donors simply to remain in operation.

All residence services and programs are provided at no cost and there are no fees to participate in community programs.

Government funding through the Ontario Ministry of Health covers only direct care medical staffing costs at Bethell Hospice. Every other cost is funded directly from donations.

Bethell Hospice Foundation relies on significant annual fundraising to keep the doors of Bethell Hospice open, and all programs and services available at no cost to residents, community clients and their families.

**Every gift makes a meaningful difference that directly impacts many lives.**
