The Boards of Directors and Executive Directors of Bethell Hospice and Bethell Hospice Foundation cordially invite you to attend our Annual Stakeholder Engagement Meeting.

Join us as we reflect on the past year, celebrate our accomplishments, and look ahead to the future. The evening will include financial updates from Bethell Hospice and Bethell Hospice Foundation, reports from the Executive Directors, introduction of new Board Directors and acknowledgement of retiring directors, and recognition of the Staff and Volunteer Peer Awards, including the Debbie Davis Award for Excellence.

There will also be an opportunity for questions and discussion. To help us address the topics most important to you, we encourage you to submit questions in advance to info@bethellhospice.org.

We look forward to sharing the achievements and impact of the past year with our stakeholders, colleagues, family members, and members of the wider community.
