A Message from Bethell Hospice

BethellHospice

As we reflect on 2025-2026, we do so with deep gratitude for the people, partnerships, and shared commitments that continue to shape Bethell Hospice.

For more than three decades, our organization has walked alongside individuals and families during some of life's most difficult moments, providing compassionate care rooted in dignity, courage, accountability, collaboration, innovation, and inclusion.

Our Hospice Residence's 15th anniversary year marks our highest level of impact to date. We welcomed a record 197 residents to our hospice and supported a record 802 community clients through our supportive care programs.

Since opening our 10-bed Hospice in Inglewood in 2010, Bethell Hospice has cared for 2,400 residents and touched the lives of more than 10,000 people through our residence programs alone.

These numbers represent more than service volumes; they reflect moments of comfort, connection, and meaning for people across our communities.

We are especially proud of the ways Bethell Hospice strengthened its role within the broader palliative care system. Through collaboration with the Hills of Headwaters Ontario Health Team and the Dufferin Area Family Health Team, we helped lead the Palliative Care Central Intake Program, creating clearer pathways to care. Our partnership with Headwaters Health Care Centre also helped connect more people with hospice and supportive care earlier in their journey. With an investment from Ontario Health, we also expanded professional grief and bereavement support for adults, children, youth, and families in Brampton and Caledon.

Looking ahead, the Board and leadership team are developing a refreshed five-year strategic plan to guide our next chapter. This work will help us respond to evolving community needs, strengthen partnerships, support our people, and sustain the exceptional care that defines Bethell Hospice.

On behalf of the Board and leadership team, thank you to our staff, volunteers, donors, partners, and community for your trust and support.

Together, we will continue to honour every person and elevate every moment of care.

Michele Beals
Board Chair

Bethell Hospice

A Message from Bethell Hospice Foundation

Bethell Hospice Foundation ushered in 2025-2026 with a spirit of reflection and celebration.

2025 marked the 15th Anniversary of Bethell Hospice and the year had us celebrating our past while laying the groundwork for continued success in the future.

The Foundation works hard to provide our donors, sponsors, and volunteers with the best possible experience and outcomes. We are so proud of the relationships we have forged and grown over the years, and nothing makes us happier than when we can report successes in our fundraising efforts.

We are thrilled to share that, for the second year in a row, the Foundation raised over $2 million in revenue while controlling our expenses. This allowed the Foundation to transfer a record amount of $1,333,985 to Bethell Hospice.

2025/26 featured a series of signature and community events, including hike, golf, hockey, euchre, curling, cycling, tubing, BBQ events, and so many more creative community fundraisers! Our spring Hike for Bethell Hospice raised over $260,000 and welcomed well over 500 participants! We also expanded our student engagement to 5300 students from 13 schools. These young supporters and their families contributed nearly $20,000 through the school hike, while also raising awareness of hospice care and Bethell Hospice among youth.

We held our signature golf tournament at the prestigious TPC Toronto at Osprey Valley, bringing in over $100K! Our popular Diamond in the Hills Fashion Show netted over $330,000 in proceeds, and our board-led Holiday Market raised over $25,000! Despite the continued challenges of a nationwide postal strike, our annual Celebration of Light & Love campaign raised over $246,000, thanks especially to a generous matching gift from long-time donors Luisa and Jim Mocon.

Although we had many initiatives to celebrate, a highlight was the garden party celebrating the 15th Anniversary of the Bethell Hospice residence. In considering how to celebrate this milestone, we asked the question "What would Lorna Bethell do?" The answer was clear: an outdoor garden tea party to welcome back founding and long-time donors, staff and volunteers. This afternoon event featured all the elements of a traditional high tea, along with volunteer-led tours of the stunning gardens for which Bethell Hospice has become known.

The successes we share are only possible because of donors and volunteers like you who continue to select Bethell Hospice Foundation as your charity of choice.

Thank you for your belief in our work, and we look forward to staying connected for many years to come!

Bethell Hospice Highlights 2025/2026

Legacy and Impact: Looking Back with Gratitude

For more than three decades, Bethell Hospice has been shaped by a simple but powerful commitment: to walk alongside individuals and families in our community during some of life's most difficult moments.

Our story began with the founding of community-based Hospice Caledon in 1991 and grew into the opening of our 10-bed hospice residence, now known as Bethell Hospice. Through every stage of that journey, compassionate care has remained at the heart of our work – and it is our people who have made that care possible.

That legacy lives on in the dedication of our team. Ironically, we have 15 volunteers who have been sharing their compassion, skills and time with us for over 15 years. We also have three clinical staff members who have been at Bethell Hospice for 15 years and continue to serve our residents and families today. These staff include two of our original nurses, Joyce and Margaret, and Dorothy who has contributed in several nursing and leadership roles and is currently one of our Intake Coordinators.

Pictured are three nurses (Yasmin, Margaret, Rhonda) from the original Bethell Hospice nursing team.

Since opening our hospice residence, we have cared for 2,400 residents. When we include their loved ones and family members, more than 10,000 people have been touched by our residence programs alone. With the addition of our supportive care community clients, Bethell Hospice's reach continues to grow each year.

The Last Year and the Path Ahead

This past year marked our highest level of impact to date. Bethell Hospice welcomed a record 197 admissions to the hospice residence and served 802 community clients through our supportive care programs.

We also strengthened our role as a trusted partner in the broader palliative care system. In collaboration with the Hills of Headwaters Ontario Health Team and the Dufferin Area Family Health Team, Bethell Hospice led the Palliative Care Central Intake Program, helping create clearer pathways to care for individuals and families.

Our partnership with Headwaters Health Care Centre further extended the reach of our services. By having one of our Social Workers, Anica, on-site to speak with outpatient oncology clinic patients every other week, we increased awareness of hospice and supportive care options and connected more people with the help they need earlier in their journey.

With an investment from Ontario Health, we also expanded our professional grief and bereavement services, including support for adults in North Brampton and children and youth in Caledon and Dufferin. This expansion reflects a growing recognition that hospice care extends beyond end-of-life support to include meaningful care for those who are grieving.

Together, these achievements reflect the courage, collaboration, and innovation that define Bethell Hospice – and point to the opportunities ahead.

To guide this next chapter, the Bethell Hospice Board and leadership team have begun developing a refreshed and updated five-year strategic plan. This work will help ensure we continue to respond to community needs, strengthen partnerships, and sustain the compassionate care that has defined Bethell Hospice for generations.

"True system integration succeeds when exceptional partners step forward to broaden their reach and lean into collaborative care. The palliative central intake that Bethell Hospice has established is a perfect reflection of this commitment. The strengths of our partners ensures patients and families get the right care at the right time. Bethell Hospice's leadership continues to be an essential anchor for integrated care in our community."

DAVE PEARSON

EXECUTIVE DIRECTOR OF HILLS OF HEADWATERS COLLABORATIVE ONTARIO HEALTH TEAM (HOHC OHT)

Susan & Mom – A Bethell Hospice Community Story

The Bethell Hospice social work team provides care and support to my critically ill mother, Jeannie, who recently celebrated her 90th birthday and is now homebound.

She eagerly looks forward to visits from her social worker, Kristen, and often shares how much these visits help her feel less isolated.

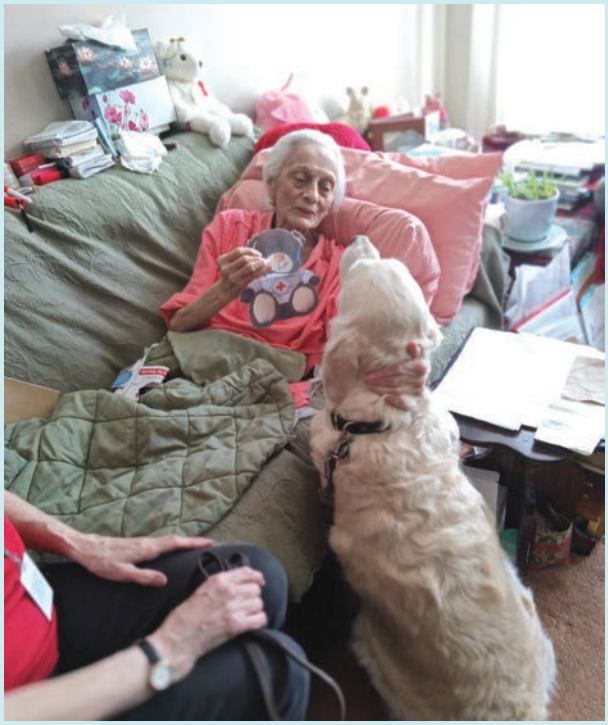

As her mobility and independence have declined, my mother has experienced disappointment, loneliness, and depression. She deeply misses the activities she once enjoyed, including gardening, visiting friends, travelling, and spending time with her beloved pet, who passed away last year.

Our family noticed a significant change in Mom's mood and outlook as her health challenges increased. Through her visits with her social worker, Kristen, we have seen a remarkable transformation. Kristen's compassion, understanding, and support have helped Mom become more patient, positive, and engaged with those around her. It has been wonderful to see her regain many of the qualities that have always made her such an interesting and caring person.

Kristen,
Social Worker

This year, through Bethell Hospice, we were also introduced to the St. John Ambulance Therapy Dog Program. Mom was absolutely delighted to meet Kathy and her gentle, well-behaved therapy dog, Elizabeth. Their visits brought her tremendous joy and comfort and brightened her days in a very special way.

As my mother's primary caregiver, I have also been fortunate to receive support from the Bethell Hospice social work team. Having someone to speak with has helped me navigate the grief, stress, and challenges that come with caring for a parent whose health is declining. The encouragement and guidance I have received have been invaluable and deeply appreciated.

In addition, I was encouraged to participate in Bethell Hospice's *Support Group for Caregivers*, a program for adults who provide care for loved ones. From the very first session, both the social workers and fellow participants created a welcoming and supportive environment. The program is thoughtfully designed, empowering, and incredibly helpful for caregivers facing similar challenges.

> "I cannot thank Bethell Hospice enough for the care, compassion, and support my mother and I have received."

During some of the most difficult times in our lives, the team has provided encouragement, guidance, and assistance with important decisions. Their support has helped bring about many positive changes for both of us as we navigate Mom's health challenges and honour her wish to remain at home.

We are truly grateful for everything Bethell Hospice has done for our family.

With gratitude and blessings,
Susan Novak and Jeannie Novak

Bethell Hospice 15th Anniversary Tea Party – June 5, 2025

Creating a Legacy of Love – Celebrating 15 Years

On June 5, 2025, the grounds of Bethell Hospice were transformed into a charming garden party as supporters, volunteers, staff, residents' families, and community members gathered to celebrate a remarkable milestone: the organization's 15th anniversary. Surrounded by vibrant gardens, guests reflected not only on how far Bethell Hospice has come but also on the enduring legacy of compassion that continues to guide its mission.

> The Garden Party High Tea was a fitting tribute to founder Lorna Bethell, whose vision and determination brought hospice palliative care to the community.

Lorna believed that every person deserves to die with dignity, free from pain and surrounded by those they love. Fifteen years after opening its doors, that belief remains at the heart of everything Bethell Hospice does.

Throughout the afternoon, guests heard reflections from Foundation Board Co-Chairs Adrian Horwood and Bonnie Klaassen, as well as from Lorna's daughter, Elizabeth Birnie, and her brother, Bart MacDougall. Together, they painted a picture of a woman whose unwavering commitment inspired the community to build something extraordinary.

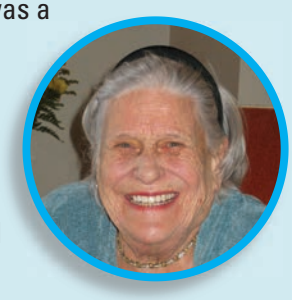

MacDougall spoke of one of the hospice's greatest strengths: its volunteers. Today, approximately 145 volunteers contribute countless hours supporting staff, residents, and families. From preparing meals and offering resident companionship to helping maintain the beautiful gardens, volunteers continue to play an essential role in delivering the compassionate care for which Bethell Hospice is known.

The impact of that care has been profound. Since opening in 2010, more than 2,400 individuals have received end-of-life care at Bethell Hospice, while another 11,000 people have been supported through community-based Supportive Care programs. These numbers represent more than statistics – they tell the story of families finding comfort, connection, and support during some of life's most difficult moments.

As guests enjoyed tea, conversation, and the beauty of the gardens, the celebration served as both a reflection on the past and a commitment to the future. The anniversary was a reminder that Lorna Bethell's vision continues to flourish, not only in the gardens that now surround the residence, but in the thousands of lives touched by the care provided within its walls.

Fifteen years later, Bethell Hospice remains a living legacy of love.

Bethell Hospice Foundation Fundraising Events

Hike for BethellHospice

Celebrating the 15th anniversary of the Hike for Bethell Hospice during National Hospice & Palliative Care Week was a tribute to the many teams, donors and supporters of the event over the years.

With many teams returning for the special occasion, the hike set a record by **raising over $260,000**.

The funds ensure Bethell Hospice programs and services are available for families in need, and in the words of a hike participant and family member,

"Bethell Hospice made such a huge difference to us as a family. To not have to worry about our mom's care was so comforting to us."

Golf 4 Bethell Hospice

Held at TPC Toronto at Osprey Valley, home of the Canadian Open, the 2025 golf tournament was a resounding success, **raising over $100,000** for programs and services at the hospice.

A special thank you to our Presenting Sponsor, Data Communications Management Corp. (DCM), and a heartfelt thank you to all our golfers, loyal sponsors and volunteers who helped us reach our new goal for the event.

Light & Love at Bethell Hospice

Honouring loved ones with a gift to Bethell Hospice is a tradition that continues each year at our signature Light & Love event. Held on December 4, 2025, the event brought together individuals and families who lit a candle and recited over 400 names read by long-time volunteer Stan Cameron.

The Foundation launched this year's campaign with a matched dollar-for-dollar gift of $30,000, donated by Luisa Santos-Mocon and Jim Mocon, and gold level sponsorship from Bartlett Tree Experts, and The Fines Family. Through many generous donations, the Light & Love Holiday campaign **raised over $240,000**.

Community Partner Events

Each year, dedicated community members host events that play a vital role in sustaining Bethell Hospice.

Their efforts ensure our doors remain open and that every program and service is available at no cost to residents, their families, and community clients. We are deeply grateful for every donation, every event, and every act of support received in 2025.

Thank you for your belief in the importance of Bethell Hospice in our community.
